

AYUSHI GUPTA

9452774577 Sehore, Madhya Pradesh

ayushigupta2022@vitbhopal.ac.in [LinkedIn](#) [GitHub](#)

Professional Summary

Final-year B.Tech CSE student specializing in Cloud Computing and Automation. Skilled in Java, Python, and AWS (including S3, EC2, Lambda), with experience building user-focused applications and a passion for real-world tech solutions.

Education

VIT BHOPAL UNIVERSITY, Sehore, India	2022–2026
B.Tech in Computer Science (Cloud Computing and Automation)	CGPA: 8.63
HUDDARD HIGH SCHOOL (ISC)	2020–2021
Class XII – PCM with Computers	Percentage: 87%
HUDDARD HIGH SCHOOL (ICSE)	2018–2019
Class X	Percentage: 88%

Technical Skills

Languages: Java, Python, MATLAB, SQL, HTML, CSS, C++, LaTeX **Tools & Frameworks:** Tailwind, Git, VSCode, IntelliJ IDEA, Eclipse, Spring Boot, Spring

Projects

WeatherApp (weatherapp-ag.vercel.app) Aug 2025
Created a real-time weather app using OpenWeatherMap API. Designed a responsive interface with CSS and integrated interactive JavaScript features for location-based weather updates and dynamic data rendering.

Carpooling Website May 2024
Developed a responsive carpool platform using HTML/CSS/JS for frontend, Python for backend logic, and SQL for user management. Dockerized the app for scalable deployment and styled it using Tailwind CSS to ensure modern, cross-device usability.

Certifications and Achievements

- Agile Methodologies ([IBM, 2025](#))
- DevOps, Agile & Design Thinking ([IBM, 2025](#))
- DevOps Fundamentals ([IBM, 2025](#))
- Blockchain Fundamentals ([IBM, 2025](#))
- Blockchain Developer ([IBM, 2025](#))
- MATLAB Onramp, Simulink Onramp (2022)
- Machine Learning with Python: Fundamentals (2023)
- Fundamentals of AI and ML (2024)
- [Introduction to OOP – Udemy \(2024\)](#)
- Computer Networking – Coursera (2024)
- Selected for GirlScript Summer of Code (GSSoC'24)

Extra-Curricular Activities

Winner, Tale'Drop Literary Video Competition – VIT Bhopal
First Place, Dance Competition – VIT Dance Club

Community and Clubs

Member, AI Club, Microsoft Club, CloudZone Club, Insights Club – VIT Bhopal (2022–2023)
